WHY #CleanWaterRules

Clean water upstream means cleaner water downstream.

Our Clean Water Rule protects the streams and wetlands that feed our rivers, lakes, bays and coastal waters. These waters are critical for agriculture, healthy communities, our economy and our way of life.

Streams and wetlands filter pollution, reduce flooding and give fish and wildlife a place to live.

Where does stormwater come from?

Stormwater comes from snow melt, rain and surface runoff.

Why is stormwater important?

Stormwater is important because clean water provides our community with safe drinking water, usage for recreational activities and for thriving aquatic habitat life.

CLEAN WATER ACTION

Play your part, be water smart!

www.stormwaterpa.org/ms4-program.html
www.cleanwateraction.org/states/pennsylvania
www.dep.pa.gov/Business/Water/CleanWater/WaterQuality/Pages/default.aspx

Ordinance 765 has been updated in regards to cleaning up animal feces within 24 hours on PUBLIC and PRIVATE property. **Fines will be imposed.** Each day's failure to comply shall constitute a separate violation.

B&L DISPOSAL

www.bandldisposal.com 484-326-9774

Bag those mattress and box springs before disposal!

BOH and Property maintenance will be cracking down on making sure properties in the Borough are cleaned up. Accumulation of junk, trash, high grass and weeds, etc. are prohibited. These are all citable offenses and action WILL be taken. * If your trash cans have lids, please use them to keep animals out or spillage from a knocked over can.

From the Code Enforcement Office

Board of Health Meetings 1st Tuesday every month at 7:00
Borough Hall Residents welcome to attend

Grass and weeds in excess of 6 inches is a property violation and a citable offense. Make arrangements to have property trimmed on a regular basis if unable to do so yourself. Grass clippings are prohibited from being swept/blown into the street and on sidewalks. Flower beds, if not maintained can grow out of control with weeds and other nuisance vegetation such as poison ivy. Getting an early jump on these areas before they grow out of control can avoid the difficulty of pulling mature weeds and possibly avoid poison ivy.

Charles Remaley Call: 610-497-3838 x3
Email: cremaley@trainerboro.com

All rental properties/units are required to be registered and inspected annually by the Borough.

POLICE DEPARTMENT 610-494-7399

A Force dedicated to serving and protecting your Community

Residents are encouraged to report traffic and drug violations by calling the above number and proper extension when prompted. We thank you for your cooperation.

Dial 911 if you need ANY type of Police assistance and immediately if you see suspicious activity

Tips to Avoid a "Road Rage" Incident:

- Reduce your own stress
- Observe common courtesies
- Avoid aggressively tailgating, honking your horn or flashing your headlights
- Think about the consequences of your behavior before you react

Springtime safety

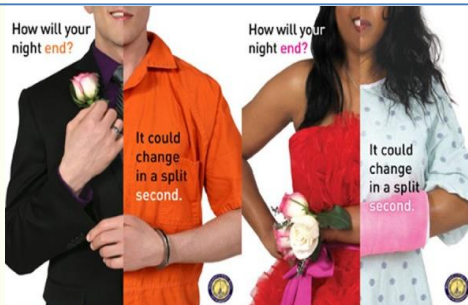

- Keep your doors & windows locked.
- Secure all lawn & gardening equipment in your locked shed or garage.
- Lock the doors to your vehicle, close car windows, & take your valuables out of your car.
- Be aware of home improvement scams.

General safety tips for children

- Children should be aware of their surroundings and the people around them at all times.
- Children should try and memorise all emergency numbers.
- It is very important that children learn from a young age not to talk to strangers.
- When children are present, avoid displaying valuables where criminals can see them.
- Children should always avoid walking around at night.
- Children should always refrain from using their mobile phones in public when walking home from school.

Quick tips to help prevent property crime:

- Increase your exterior house lighting
- Consider purchasing a camera system. Exterior cameras are a great deterrent
- Get to know your neighbors.
- Report all suspicious activity immediately

Statistics show Prom and Graduation season is the most dangerous time for teens.

Teach children young How and when to dial 911

Riddle Answer: A Dentist

PRIMARY ELECTIONS

All gave some...
Some gave all

Remember them this
Memorial Day

Happy Easter

If you are a Senior 65 or older and own your home, contact the Fire Department or the Boro for information on how to receive a smoke alarm.

Don't be a litter bug!

You can stop litter before it happens by holding onto your trash until you can dispose of it properly. It's that easy!

Emergency Kit

Make sure your emergency kit is ready to go!

- ✓ First Aid Kit
- ✓ Whistle (to call for help)
- ✓ Flashlight & extra batteries
- ✓ Cash & credit card
- ✓ Battery powered radio & weather radio
- ✓ Cellphone charger (solar/battery powered)
- ✓ 3-day supply of water/non-perishable food (for each family member including pets)
- ✓ Change of clothes/shoes for each family member
- ✓ Prescription medicine & special needs items
